City of Rockville

MEMORANDUM

October 27, 2004

TO: Catherine Tuck Parish, Acting City Manager

FROM: Larry Marcus, Chief, Traffic and Transportation Division *LM*
Katherine Kelly, Transportation Planner – Traffic and Transportation Division *KK*

VIA: Eugene H. Cranor, Director of Public Works *EC*

SUBJECT: Update on Town Center Traffic Calming Public Process

In an effort to address concerns about traffic generated by new development in Town Center, the Traffic and Transportation Division and the Neighborhood Resources Division have developed a process to work with citizens to lessen cut-through traffic and improve safety and mobility in neighborhoods surrounding Town Center.

Step 1:

The first step of this process involves the creation of a steering committee of 5-7 citizens for each neighborhood area (as shown on the attached map). Members on each committee will collaborate to review existing and future conditions and devise initial plans for traffic calming in their neighborhoods. In addition, a member of the City's Traffic and Transportation Commission will attend the neighborhood area meetings and report back to the full Commission.

The following are tentative dates and locations for the steering committee meetings. Area 1 has already started meeting on traffic and pedestrian safety issues; the events are detailed below:

1. Area 1 (West End) – Process has begun and is ongoing. The following is a chronology of meetings and tasks that have been completed or are currently being implemented:
 - Week of October 25: Staff drafted a schedule for addressing WECA recommendations and concerns raised at the October 12 community meeting. Sidewalk and stop sign warrant studies are underway.
 - Pedestrian walk time was expended on MD 28/Laird in late September and on October 13.
 - A work order was issued for "No Thru Traffic" signs on Dale Drive, at Great Falls Road, on October 25.
 - Week of October 18: Staff began conducting stop sign warrant studies and assess feasibility of sidewalk improvements.
 - Week of October 11: Staff met with residents on Forest Avenue to discuss sidewalk improvements. Large trees and utilities will make the improvement difficult.
 - The WECA hosted a community meeting on traffic calming and pedestrian safety on October 12 at Beall Elementary School.
 - Week of October 4: Staff created maps of the West End vicinity for use at the October 12 community meeting. Also, staff developed a project schedule to estimate the time necessary to evaluate the feasibility of new stop signs and traffic calming devices for the neighborhood.

- Week of September 20, 2004: the West End Executive Board disagreed with the August 16, 2004 West End Traffic Committee's recommendations for trip diversions in the portion of the community bound by Nelson Street, MD 28, East Montgomery, and N. Washington Street.
 - September 15, 2004: Staff met with West End representatives to review a draft letter to MD SHA and draft brochure for a public meeting. The documents were approved (with minor modifications) by the group and distributed. The next West End public meeting will be October 12, at Beall Elementary School.
 - August 16, 2004: West End Traffic Committee hosted a second meeting to update the 1991 traffic and pedestrian safety plan. The committee reviewed outcomes of the July 20 meeting, and voted on each of the 1991 plan recommendations (that have not yet been implemented). Staff attended the meeting and answered questions concerning the outstanding recommendations.
 - July 20, 2004: City staff met with community members to discuss proposed and existing traffic calming strategies for the West End. The meeting sought to address recommendations made by the West End Traffic Management Advisory Group (WETMAG) in its 1991 report, and to generate dialogue concerning remaining issues. City staff presented a table (see attached) of the 1991 plan recommendations and facilities implemented, as well as mitigation measures that have been implemented but were not part of the 1991 WETMAG report.
 - June 16, 2004: West End Traffic Committee hosted a meeting to discuss the potential impacts of the KSI development on their neighborhood. KSI and City transportation staff participated in the meeting.
 - June 7, 2004: City staff and KSI representatives met with the WECA President and Traffic Committee Chairman to plan the June 16 meeting & discuss minimizing cut through traffic from the proposed project through their community.
2. Area 2 (Hungerford/New Mark Commons) – November 10th
City of Rockville City Hall, 111 Maryland Ave. (Planning Conference Room)
 3. Area 3 (College Gardens/Woodley Gardens) – December 8th
City of Rockville Senior Center, 1150 Carnation Drive (Card Room)
 4. Area 4 (Lincoln Park/East Rockville) – January 5th
Location to be determined.

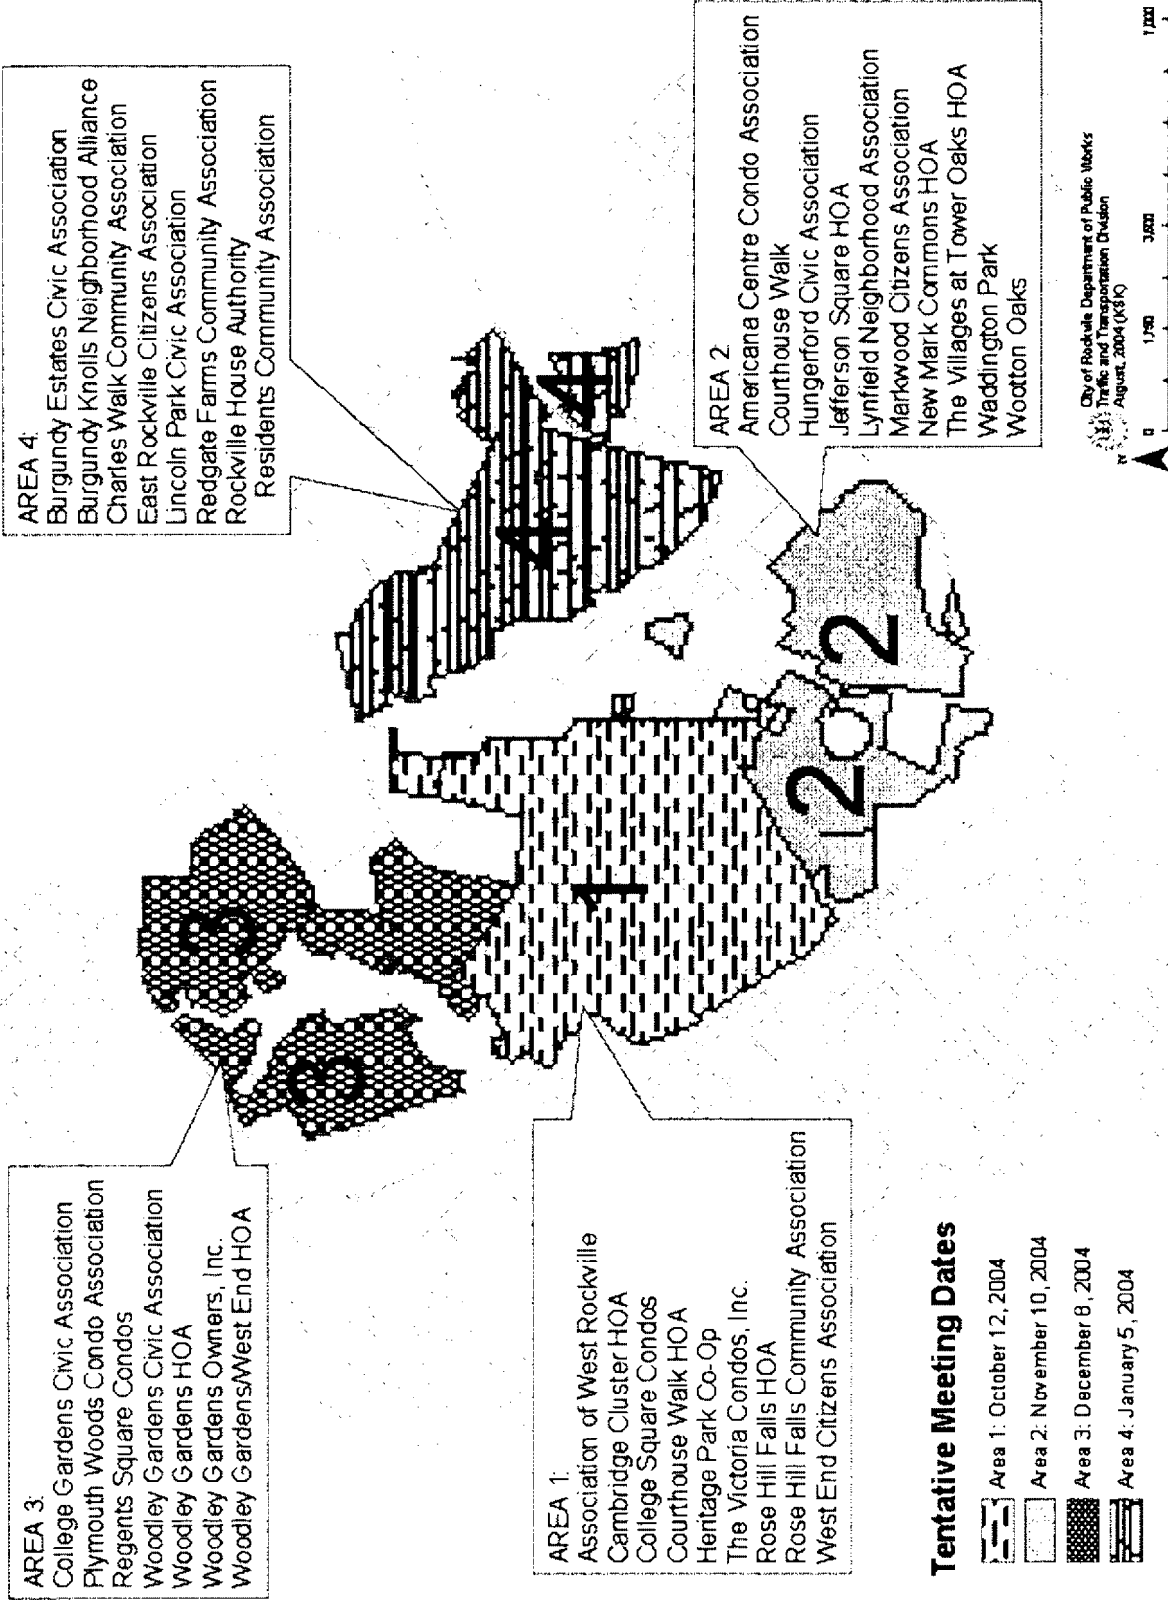

Step 2:

Once each steering committee meets and establishes an initial traffic-calming plan, notification will be sent to all citizens of that neighborhood to participate in the second step of this process, which entails participation in a full neighborhood *charrette* ("brainstorming" session). The goal of the charrette is to present the initial draft plan, to ask for citizen feedback, and to reach consensus on a final draft plan for each neighborhood. A Traffic and Transportation Commission member will attend the charrette and report back to the full Commission. The Commission will discuss pros and cons of each plan, prior to Step 3.

Step 3:

The third step will be a citywide charrette. Following the charrettes for each neighborhood, all citizens from the different neighborhoods will be called together for a larger charrette. The purpose of this charrette will be to present the different neighborhood draft plans and to determine the positive and negative effects of each neighborhood's recommendations on other areas of the City. Ultimately, the goal is to create a comprehensive transportation *system* that provides balanced solutions and does not favor one neighborhood over another.

Town Center Traffic Calming: Public Outreach

Mayor and Council Master List

<u>Date</u>	<u>Orig.</u>	<u>Issue</u>	<u>Lead Dept/Staff</u>	<u>Response Date</u>	<u>Response/Action Taken</u>	<u>Comp.</u>
Feb. 9	M&C	MCPS property on Stonestreet	CPDS		On 8/24/04, the Board of Education authorized the president to formalize an arrangement between Airpark North LLC and Centex Homes to complete a land swap for the MCPS property on North Stonestreet Ave in return for a new materials and printing facility elsewhere in the County. They also authorized a 120-day study period for the parties to work together. A plan showing 162 single-family homes and townhouses was developed by Centex, and was presented to community members on 10/19/04 at a meeting sponsored by MCPS. Neighborhood residents expressed concerns about density and community character, and offered other suggestions for MCPS to consider, including preservation of the former gymnasium building that was part of the Lincoln High School and options for MCPS to remain on the site.	
Feb. 9	M&C	Bus shelters with advertising	CMO		Traffic and Transportation Commission discussed on 3/23 and the M&C on 3/29. Staff will provide additional information for the M&C on bus shelter advertising and bus shelter sponsorships.	
Feb. 9	M&C	Fleet Street - Montgomery County surplus property	CPDS		A detailed update on the project was shared with the M&C in a memo dated 9/24/04. HOC and their architect presented the preliminary proposal for redevelopment to the City on 9/23/04. It includes 23 market rate townhomes and 20 affordable townhomes. Two existing structures will be retained. Site amenities include a children's play area, a jogging area, and a tree preservation area. City staff is planning a public meeting for the middle of October. Staff advised the developer to set up a neighborhood meeting prior to the City's public meeting. Staff expects the plan review and approval process to take a minimum of 4-6 months.	
Feb. 17	M&C	Status of planning area north of Beall	CPDS		Staff presented a draft plan for the area north of Beall Avenue at the 7/21/04 joint session with the Planning Commission, and has been sharing information about the draft plan with property owners and other interested groups. Staff will provide information to the Mayor and Council on 11/15/04 about the feedback from property owners. Formal action on the plan will occur at a later date.	
Mar. 8	M&C	Archstone apartments compactor structure blocks the City Center shopping center sign	CPDS		Archstone filed a building permit on 9/1/04. Staff reviewed and approved the application. A permit is ready to be issued, but Archstone has not picked it up because they have not identified a contractor yet. Archstone is having difficulty getting contractors to bid for the work because it's a small job. The City cannot control the specific timing of the construction after the building permit is issued, however the permit will be revoked if construction does not begin within 6 months.	
					The Gazette reported on 9/1/04, 9/29/04, and 10/8/04 that the Westchester apartments are part of a contract for sale of 8 to 10 Archstone properties along the East Coast.	

Mayor and Council Master List

<u>Date</u>	<u>Orig.</u>	<u>Issue</u>	<u>Lead Dept/Staff</u>	<u>Response Date</u>	<u>Response/Action Taken</u>	<u>Comp.</u>
Mar. 15	SH/LG	Process and requirements for getting specialty license plates for Rockville	CMO		MVA now reports that Rockville may submit an application for organizational/specialty plates. Staff will continue discussions with the M&C on the process and the plate design.	
Mar. 22	LG	Cost estimate to move the sidewalk along Route 355 adjacent to King Farm and availability of grant dollars to fund the move	DPW		The M&C asked staff to pursue grants to fund the \$456,000 cost to relocate the sidewalk. The State reports that the City cannot use the State Sidewalk Retrofit Program money because the sidewalk already meets ADA requirements. Staff is looking into obtaining other State funds through the Priority Places program. At the 5/24/04 General Session, the Mayor asked the King Farm Association to consider the possibility of assisting in funding the sidewalk relocation. On 7/19/04 the Mayor asked the King Farm Assoc. to respond to his inquiry in writing.	
Mar. 22	LG	Improve the citizen notification process	CPDS		Planning staff has already begun notifying civic/homeowners associations about text amendments. I&T staff also developed a way to use GIS to automatically print mailing labels/postcards used to notify property owners and residents. Training and implementation of this new GIS resource is just beginning.	
May. 10	LG	Move the plaque commemorating the creation of the City's water system and consider planning a ceremony to recognize the creation of the water system	Rec & Parks/CMO		Rec & Parks staff moved the plaque to a more visible location at the corner of Courthouse Square and So. Washington St. on 5/26/04. Staff plans to recognize the 50th anniversary of the City's water system with a proclamation during a M&C General Session.	
May. 24	M&C	Respond to citizen inquiry about cell tower at Wootton IIS	CPDS		Cingular decided that extending an existing stadium light pole would not provide enough space for all the co-locators interested in this location. They are now considering installing a stand-alone monopole near the football stadium that could accommodate 3 or 4 co-locators. They are working on the plans and will submit them to MCPS for tentative approval. They will need a special exception from the City, as well as a waiver from the 50 foot height restriction. The City will contact nearby residents when we receive an application. Cingular is also planning a community meeting after October 15.	

Mayor and Council Master List

Date	Orig.	Issue	Lead Dept/Staff	Response Date	Response/Action Taken	Comp.
Jun. 1	L.G	Determine the flexibility in use of ground floor retail space in the Town Center Cultural Arts Bldg.	CMO/ Attorney		The approved GDA includes the option for the City to negotiate the lease or purchase of an additional 1,200 square feet of space at the ground level.	
Jul. 19	L.G	Provide an update on the status of traffic management issues in the West End	DPW		City staff and the West End Transportation Committee have been communicating about West End traffic issues. The Transportation Committee shared a set of traffic management recommendations with the WECA Board. The Board edited the Committee's recommendations and held a neighborhood meeting on 10/12/04 to discuss the new recommendations with residents. City staff will analyze the WECA Board's recommendations and share the results with the neighborhood and the Mayor & Council.	
Jul. 26	L.G	Provide an update on the status of the Shady Grove Sector Plan	CMO		On 9/28/04, the County Council passed a resolution to establish a public hearing on the Shady Grove Sector Plan for 11/4/04 at 6:30 pm. Staff will continue to update the Mayor and Council on the status of the plan.	
Jul. 26	M&C	Communicate with the State about potential improvements to the merge area at I-270 and MD 28 by Adclare Rd.	DPW		Staff is designing a proposal to share with SHIA that constructs a physical barrier between the turn lane onto Adclare Rd. and the through lane at MD 28. The concept should be complete on 11/1/04 and submitted to SHIA for review. The City will fund and construct the project.	
Aug. 2	JH	Develop a plan to remove stray shopping carts from the community	NCS		Staff and Councilmember Hall met with the Chamber and affected businesses on 9/28/04. Based on the discussion, Councilmember Hall agreed to give the Chamber and businesses 30 days to consider some solutions to the problem, and for the Chamber to involve more businesses in the dialogue.	

Mayor and Council Master List

<u>Date</u>	<u>Orig.</u>	<u>Issue</u>	<u>Lead Dept/Staff</u>	<u>Response Date</u>	<u>Response/Action Taken</u>	<u>Comp.</u>
Aug. 2	LG	Provide periodic updates on the status of the refuse study	DPW		<p>The Mayor & Council discussed the completed refuse study with the consultants on 9/13/04 and identified several follow up items:</p> <ul style="list-style-type: none"> • Ask the consultants to evaluate 2x/week semi-automated refuse pick up • Design a survey to collect citizen input about potential refuse changes • Compile information about volume pricing • Develop a recommendation for Mayor & Council consideration for a pilot program for new refuse services <p>Staff is reviewing a survey developed by the consultant to gather input from the public about potential changes to refuse services.</p>	
Sept. 2	LG	Determine whether the parking requirements defined in the use permit for the former RCI properties are being met	CPDS		<p>A letter was sent to the attorney representing the owner of the parking garage at 255 Rockville Pike indicating that the use permit for the development requires adequate parking be provided, necessitating the availability of the garage at 255 Rockville Pike during all hours the retail pavilion is open. A response from the attorney is attached. It presents the current operating hours of the garage and indicates that the owners are moving towards opening the garage for extended hours. Staff is preparing another letter in response.</p>	
Sept. 2	LG	Find out the status of any criminal charges against the individuals involved in the car accidents on First Street earlier this year	Police		<p>The State's Attorney's Office (SAO) continues to report that the individual who was involved in the first accident and left the country and is not being pursued by the SAO at this time. They report that his passport has been flagged so he'll be detained if he returns to the US.</p> <p>On the second accident, the grand jury declined to indict given the minor nature of the accident. The SAO went back to the grand jury asking them to reconsider, but they were not willing to. The SAO remains dedicated to prosecuting the individual for the driving while impaired/intoxicated charge. That will take place on 11/4/04. The State's Attorney's Office will let us know the time and location when it's available.</p>	
Sept. 13	LG	Provide periodic updates on the status of the MOU between the City and the County re: impact taxes	CMO		<p>The County is reviewing the MOU.</p>	

Mayor and Council Master List

<u>Date</u>	<u>Orig.</u>	<u>Issue</u>	<u>Lead Dept/Staff</u>	<u>Response Date</u>	<u>Response/Action Taken</u>	<u>Comp.</u>
Sept. 13	LG	Follow up on the letter to WMATA about WMATA policies related to Twinbrook and Rockville Metro redevelopment	CMO		Staff will follow up with WMATA and report to the Mayor & Council.	
Sept. 23	LG	Verify whether the County's plan to widen Montrose Parkway includes taking property from North Farm homes	DPW		The County placed stakes on the property where they plan to place the wall. In all but one location, the wall is outside an existing fence between the yards and the Parkway. The community was most concerned about retaining the property inside the existing fence. The City Forester found that the current wall position will impact at least the front row of trees that lie just beyond the existing fence. A drainage ditch next to the wall will also impact trees and roots. The County is considering moving the wall 7-8 feet closer to the street to lessen the impact on trees and roots. The other option is to not build the noise wall at all. The County is setting a meeting with residents around Nov. 1 to discuss the options.	
Mar. 15	M&C	Recognize Mike Mogil for US Postal Service issuance of the Rockville cloud stamp	Clerk/CMO	Oct. 4	The M&C presented a proclamation on 10/4/04.	Y
Feb. 9	M&C	Snow not removed from hot right islands in the ROW	CMO/Rec & Parks	Oct. 4	The M&C considered City removal of the snow during the 10/4/04 General Session. The M&C directed staff to remove the snow from the 16 highest priority locations (rated "A") after the streets are plowed, the snow has stopped falling, and existing routine plowing is complete. Finance will proceed with transferring \$5,800 of contingency funds to the Recreation & Parks budget to cover the cost of this new service.	Y
Jul. 26	LG	Report on City activities to assess customer satisfaction	CMO	Oct. 4	Two memos were shared with the Mayor & Council on 10/4/04. One described the variety of ways the City obtains feedback from residents. The other addressed specifically the City's response to the results of the FY 2003 Citizen Survey.	Y
Sept. 28	LG	Pursue completion of construction at MD 28 and Research Blvd to resolve traffic problems	DPW/CMO	Oct. 25	Construction at the location is complete, the new roadway is paved and striping will be done on 11/18/04.	Y

Re: Use Permit (USE 1996-00565)
255 Rockville Pike

Dear Ms. Parrish:

I have been asked to respond to your letter of October 1, 2004, requesting that the garage at 255 Rockville Pike be open beyond its current hours.

First, please be advised that the garage is presently open on Monday-Friday from 5:45 a.m. until 10:00 p.m. and on Saturday-Sunday from 8:30 a.m. until 8:00 p.m.

Second, upon receipt of your letter, we met with Blackacre and Akridge, the adjacent owners of the retail pavilion, concerning the additional parking needs. The discussion included the weekday needs, but was primarily focused in the weekend.

Third, we are moving towards opening the garage for extended hours, particularly on Friday and Saturday nights.

Thank you.

Very truly yours,

VANGRACK, AXELSON, WILLIAMOWSKY,
BENDER AND FISHMAN, P.C.

Dear Mr. VanGrack:

Thank you for your letter of October 15, 2004. The City of Rockville appreciates that you are moving toward extending hours in the evening for the garage at 255 Rockville Pike to the full hours of the operation of the retail pavilion. It was also very helpful getting the current hours of operation of the garage. However, your letter did not indicate the date on which the garage would be extending its hours of operation.

In order to ensure adequate parking for the retail pavilion per the PDP approval, the garage must be open the same hours as the retail pavilion in the evening and on weekends no later than November 15, 2004. Please confirm this in writing, including the daily hours of operation.

Thank you for your prompt attention to this matter.

Sincerely,

Catherine Tuck Parrish

MEMORANDUM

September 30, 2004

TO: Catherine Tuck Parrish, Acting City Manager
FROM: T. N. Treschuk, Chief of Police
SUBJECT: FYI Report

Please find attached weekly summary reports for the time frame of September 20– September 26, 2004.

BEACON OF SAFETY: STATUS UPDATE:

On September 13, 2004, Community Services Officer Jan Seilhamer spoke to a senior citizen group at the Rockville United Methodist Church regarding the Beacon Light program. Ten (10) senior citizens at this meeting registered to receive the Beacon Light.

Saturday, September 18, 2004, Corporal Seilhamer hosted a crime prevention booth at the Chili Cookoff. The purpose for attending this event was to promote the Beacon Light program. Margaret Williams, Rockville Volunteer Fire Department, made an excellent display to demonstrate the use of the Beacon Light. Several other senior citizens registered to receive the Beacon Light.

Since the Chili Cookoff, Corporal Seilhamer has scheduled three more delivery dates of the Beacon Lights. During those delivery dates, she installed nineteen (19) Beacon Lights and conducted nineteen (19) Home Security Surveys. There are three (3) additional delivery dates scheduled for the Beacon Lights during the month of October. There are 25 scheduled deliveries during these dates.

Corporal Seilhamer is scheduled to speak at the Rockville Senior Center on the Beacon Light Program. She anticipates adding additional delivery dates in the near future. It is anticipated that once the word is out in the neighborhoods, there will be an overwhelming interest in the program.

City of Rockville

MEMORANDUM

September 24, 2004

TO: T.N. Treschuk, Chief of Police

FROM: Jan P. Seilhamer, Community Services Officer

SUBJECT: Weekly Report

My activities during the week of September 20th through September 24th are as follows:

Installation of 3 Child Safety Seats

Installation of 4 Emergency Beacon Lights

4 Home Security Surveys

1 Police Information Report

Continued grant writing for Project Lifesaver

City of Rockville

MEMORANDUM

September 24, 2004

TO: T.N. Treschuk, Chief of Police

FROM: Jan P. Seilhamer, Community Services Officer

SUBJECT: Quarterly Report

A handwritten signature in black ink, appearing to read "Jan P. Seilhamer", is written over the "FROM:" line of the memorandum.

The following is the third quarterly report of 2004 summarizing the current concerns voiced by the community, potential problems that have a bearing on law enforcement activities within the community, and recommended actions that address previously identified concerns and problems.

1-A. Concern Voiced by the Community:

Residents of the Fallsgrove Community expressed concern of several aggressive teenagers at the Tot Lot after school lets out in the afternoon. Recently a teen girl stole a diaper bag.

1-B. Potential Problems that Have a Bearing on Law Enforcement Activities within Within the Community:

Any aggressive person may pose a hazard to the playground areas meant for younger Children. The thefts and aggressive behavior may escalate if nothing is done.

1-C. Statement of Recommended Actions that Address the Concern/Problem:

Increase patrol in the area during the time school lets out. Talk to the teens about their behavior and advise them of activities and resources available to them in the city. Advise residents to call the police when anyone is acting in an aggressive manor.

1-D. Statement of Progress Made toward Concern/Problem:

Patrols have been increased in the area. There have been no further complaints of aggressive behavior by anyone since the reported theft incident.

2-A. Concern Voiced by the Community:

King Farm residents are concerned about the lack of clear road markings in the area warning motorists of stop signs. Residents advised that traffic still does not stop completely for the stop signs. They would like to see more road markings and stop lines on the roadway.

2-B. Problems that have a bearing on Law Enforcement Activities Within the Community:

King Farm is a community with a lot of pedestrian traffic. There are many young children in the area. Vehicles not stopping at stop signs can pose a major hazard to pedestrians in the area.

2-C. Statement of Recommended Actions that Address the Concern/Problem:

Increased enforcement in the area. Talk to the city Traffic Engineers in reference to installing more devices to inform vehicular of stop signs ahead.

2-D. Statement of Progress Made Toward Concern/Problem:

Traffic enforcement is increased in the area where the problems are reported. Reflective stop lines have been painted on the road surface to catch drivers attention.

3-A. Concern Voiced by the Community:

Several city residents have voiced concern about first responders being able to quickly locate their residence in the event of an emergency. There are several streets in Rockville where the block numbers jump making it difficult to estimate where the residences would be located. Also, there are many homes in the area where the house addresses are not clearly marked.

3-B. Problems that have a Bearing on Law Enforcement Activities Within the Community:

It is vital for first responders to quickly locate and address in an emergency situation. Seconds can make a life or death difference for both the first responder and the person requesting emergency assistance.

3-C. Statement of Recommended Actions that Address the Concern/Problem:

Inform residents of the importance of posting their addresses in a visible spot from the street. Make available Emergency Beacon Lights to the elderly and people with medical disabilities.

3-D Statement of Progress Made Toward Concern/Problem:

Beacon lights have been made available to the elderly and those with disabilities. The lights were installed and security surveys were performed to advise them of things they can do to make their homes safer.

City of Rockville

MEMORANDUM

September 24, 2004

Rockville, Maryland 20850

Re: September 21, 2004 Event

Dear Chief Treschuk:

On behalf of the Maryland Department of Business and Economic Development, **thank you** for attributing to the success of the Department's Capital Regional Office Opening on September 21, 2004.

You and the staff of the City of Rockville exemplified professionalism and excellent customer service. The State appreciates your assistance in the planning of the event to the closure of streets, parking control, direction of traffic and the provision of sandbags. Your service and that of City staff is greatly appreciated.

I wish you continued success.

Sincerely,

William B. Askinazi, Esq., MBA
Assistant Secretary
Maryland Department of Business
& Economic Development
Capital Region

FYI*

Dear Chief Treschuk and Cpl. Seilhamer,

The Triple F Club members thank you for attending our Triple F Senior Club monthly meeting on September 13, 2004. We all appreciated the very appropriate information you presented concerning identity theft and scams. This type of information is especially important to all members of our Club. We hope your suggestions concerning the various actions we should take for our own safety will be heeded by all of us in the future.

All Rockville citizens appreciate the work of the Rockville Police Department. Again, we thank you both for taking time to instruct us in your activities and the need for us to conduct our lives in the safest manner as possible.

Sincerely,

Teedy Blackwell

Chief T. N. Treschuk
Rockville City Police Department
111 Maryland Avenue
Rockville, MD 20850

Dear Chief Treschuk:

On behalf of the Amtrak Police Department, I would like to thank you for the assistance that Commander R. Lee Potter provided during our mock assessment conducted on September 8 and 9, 2004.

As you know, mock assessments are critical to a successful CALEA assessment. Commander Potter was exceptionally thorough and offered invaluable insight to standard compliance. His professionalism and diligence was consistently apparent and is to be commended.

Thank you again for allowing Commander Potter to assist us. If the Amtrak Police Department can be of similar assistance, please do not hesitate to contact Inspector Lisa Shahade at (302) 683-2028.

Sincerely,

A handwritten signature in black ink, appearing to read "Lonnie E. Bennett".

Subject Place Making: Developing Town Centers, Transit Villages,
and Main Streets, San Jose, CA, Sep. 13-14, 2004

On behalf of ULI, I would like to extend my personal thanks to you for speaking at the ULI Place Making conference in San Jose. We had a great turnout for the conference--nearly 600 registered--and the attendees seemed very pleased with the program. Thanks also for taking the time out of your busy schedule to prepare your session and share your ideas and experiences. I hope you enjoyed the experience.

We are now in the process of evaluating the program, and evaluation forms have been sent out via email to attendees. If you have any comments or suggestions regarding this year's program, how we can improve the program next year, and/or ideas for future sessions, please feel free to call or drop me an email.

Thanks again, and I look forward to working with you again.

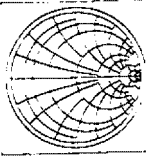

Best Regards,

Dean Schwanke

Mr. Burt Hall, Director of Recreation and Parks
Rockville City Hall
111 Maryland Ave
Rockville, MD 20850
Ph.: 240-314-5000

SUBJECT: Compliments To Mrs. Rawlings And The Programs She Manages For Kids

Dear Mr. Hall,

I would like to highly commend Mrs. Karen Rawlins, KhamKam Productions, and her staff in developing the children of Rockville's character, talent, and self-esteem. Their organized and well-supervised activities have made our job as parents' one level easier while opening the eyes of our kids to the world of drama. Moreover, Mrs. Walker and I have become active citizens within the Rockville community because their unparalleled opportunities to learn performing arts.

Since graduating from Rockville University, Mrs. Walker and I have become more aware of the diverse events for kids along with community service for adults. Likewise, Maryvale's Finest has transformed us into active parents in regards to our children's extracurricular activities. We now volunteer to assist in theatre productions for our daughter and son, aid in Rockville Football League, and support our son during Rockville Track League. Normally, my wife and I remain on the sidelines as passive parents.

Mrs. Rawlins's programs have decrease the idle time my children have to linger in trouble. As you know, children are more likely to dwell in mischief behavior between the hours of 3PM and 6PM. The supervised practices are worth the nominal registration fee, parent participation, donated food, and smile on our faces. It's the small things that count in our children life: 5-minutes of encouragement in practice, a simple phone call regarding our children, seeing the kids on stage reciting poetry or just watching their self-esteem increase.

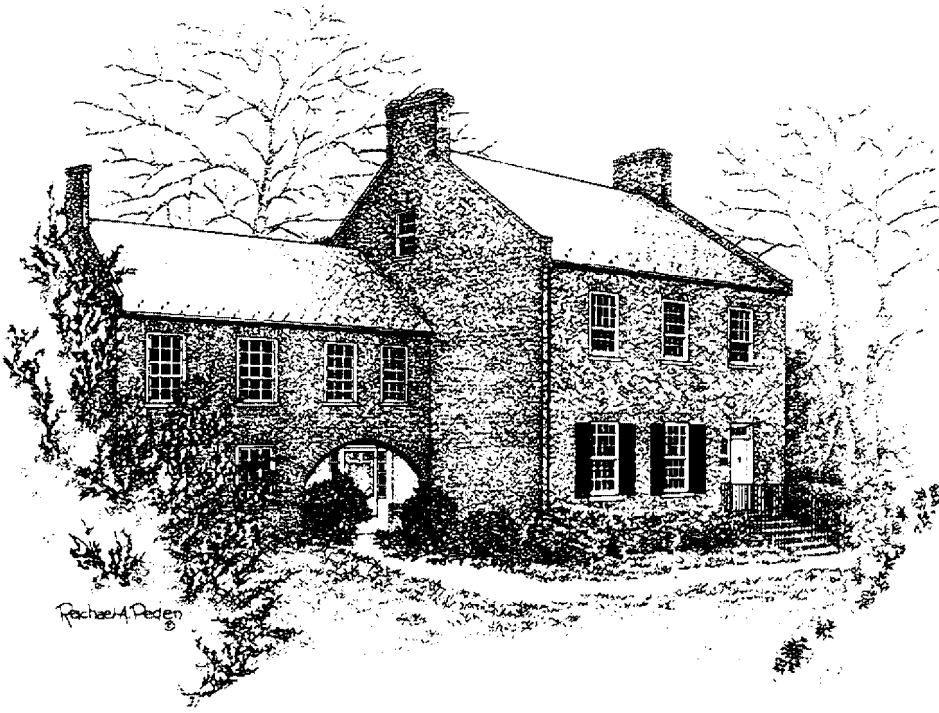

A Grateful Parent,

Jonathan Walker, Sr.
CEO
